2010-2011 Info Package

djs. events. evolved.

We do things a little differently around here. You've probably been to that typical event where the DJ was cheesy and predictable. Not with greatime dj. Your entertainer will be refined, professional, inspired, fresh and innovative – never canned or scripted. With more than 10 djs on-staff there's one that is a perfect match for you!

your vision. our passion.

The style and feel of your event is different from the last client we served. That's why you are always offered unlimited, complimentary, face-to-face meetings with your dj. Get to know each other. Then, custom-tailor the entertainment for your party. We'll be here to help you every step of the way.

stylish professionalism.

greatime dj offers a generous pay-scale to our staff thereby attracting only the most in-demand DJ/entertainers in the industry. They are fully-trained, experienced, polished, impeccably dressed professionals. Equipment is always top-quality and continually maintained to offer crisp, clear sound. Our music collection – including more than 50,000 songs is unparalleled and fully customizable for your specific event.

service.

We always meet or exceed your expectations. With helpful on-line planning tools, up-to-date music lists, hands-on office staff and friendly, attentive djs we're here 24/7 to assist you throughout the planning process. We have more experience than any other company in the Central Rocky Mountains. So, you benefit from the ideas, song selections and event planning we've collectively garnered from literally thousands of events.

"Who We Are"

DJ

Owner/operator DJ Fred has more music in his collection than most music stores. A master of combining music from every decade, DJ Fred has an amazing ability to read a crowd out on the dance floor.

DJ Fred Hammond

Owner/operator DJ Erik has entertained at weddings and parties since the age of 15. "I listen to each client and create the party they've been dreaming of," he says. "Entertaining to me is the art of creating incredible energy and fun in line with the client's vision."

DJ Erik Vienneau

A DJ for more than 24 years, DJ Rhodes has entertained for all. "I love having such a positive influence on each client's event," he says. "That's why after all these years I still love this job."

DJ Rhodes Carter

With more than 5,000 Karaoke tracks and 16,000 DJ songs in his collection, DJ Dean offers the best of both the DJ and the sing-along genre. A personable, high-energy entertainer, Maes promises to get everyone either up on stage singing or on the dance floor partying.

DJ Dean Maes

DJ Bob is a popular radio personality at KCMV Radio, the largest station in the mountains. A greatime dj since 2001, clients report that Bob is easy to work with, has a great personality and that he provides exactly the evening of entertainment they were looking for.

DJ Bob Bridges

Morgan is known for his impressive mixing style, taking classic tunes we all know and love, and twisting them with a fresh beat to keep the dance floor moving. "I take pride in my ability to read any crowd and play exactly what they want to hear."

Morgan Menco aka DJ Mo:Rockin

Joe has a warm, friendly personality and great sense of just what to play to get the party going. He brings a touch of class and an undeniable desire to have fun to each event.

DJ Joe Kania

Chris says, "I love to sit down with my clients and a blank sheet of paper and see the plan for an amazing event emerge – an event that perfectly captures the spirits of the client through the music they choose."

DJ Chris Hahn

Jeffery's ability to remix music that is just right for each crowd is unparalleled. "My goal as a DJ is to make sure my client's parties are upbeat, unique and fun," Jeff says. "Each event should be special and memorable."

DJ Jeffery D'Amico

Six years ago, DJ Carve's passion for music lead to a successful career DJing in various bars and nightclubs in Vail. He has worked corporate events, weddings and private parties that incorporate all different styles of music including country, classical and top 40.
